

Bielsko-Biała, 23 march 2021 r.

Over 2,000 new apartments from Murapol Group for the 20th anniversary of its operation.

A nationwide residential developer is starting to offer over 2,000 apartments designed in 11 investments in 9 cities. Thus, the offer includes next stages of already implemented development projects, as well as completely new investments. All apartments available as a part of '#2000MieszkańNa20Lecie' (2000 apartments for the 20th anniversary) project will have been equipped with anti-smog packages protecting the air inside against smog and other pollutants, as well as the HMS technology, allowing the use of smart-home solutions.

The residents of Cracow and Wieliczka have the largest selection in the new offer by Murapol Group, with over 500 apartments and investment premises made available by the developer. The apartments comprise next stages or the already-underway investments – Murapol Nowy Złocień in Cracow (340 units) and Królewskie Tarasy in Wieliczka near Cracow (168 units).

The '#2000MieszkańNa20Lecie' project has additionally largely affected the broadening of the offer in Poznań, where as part of Murapol Nowe Miasto, 296 apartments will be built, while the pool of apartments in Murapol Zielony Żurawiniec will have increased by 140 units.

The developer also gives more choice to customers in five other cities from its current investment map. In Warsaw it's putting on the market new apartments in Murapol Dzieci Warszawy project, in Łódź it expands its offer of Murapol Nowa Przędzalnia, in Toruń it adds 112 completely new apartments in its Murapol Osiedle Smart investment, and in the Upper Silesia it increases the sales pool both in Sosnowiec (Murapol Apartamenty na Wzgórzu – 121 additional units) and in Gliwice (Murapol Osiedle Parkowe – 189 units). The Group also re-enters Gdańsk with its offer, pre-selling an entirely new investment of Murapol Osiedle Zdrovo, designed in a green corner of Łostowice district. The buyers there will be able to choose from nearly 300 apartments.

- In 20 years of our operations we sold over 20 thousand apartments all over Poland. We are planning to add to that pool another 20 thousand in the next 4 to 5 years, that is why we have been intensifying our activities related to designing new buildings and obtaining appropriate construction permits. The result of work of our team of engineers is the introduction of as many as 2,000 apartments, in such demand in the times of unabated demand noticeable in almost all major cities – emphasizes Nikodem Iskra, the President of the Management Board of Murapol S.A. – In our new offer the customers will find apartments designed in accordance with current trends and expectations – in developing districts, with functional layouts, balconies or patios, using the latest technologies and environmentally friendly – he announces. Each of the apartments on presale will be equipped with an anti-smog package, protecting the interiors against pollution, as well as HMS allowing installation of smart-home solutions. The technology lets control media, which ensures safety and savings.

By the end of March the pool of apartments under the '#2000MieszkańNa20Lecie' project is only available with customer advisors, to contact whom you need to fill out the form at murapol.pl website.
