In the case of shareholders making a request using electronic means of communication, the

documents should be sent in the PDF format. Documents drawn up in a language other than Polish should be appended with their sworn translations into Polish.

The risk associated with the shareholder's use of electronic communication shall be borne by the latter.

The Management Board of the Company shall promptly, but no later than 18 days prior to the scheduled date of the Ordinary General Meeting of Shareholders, i.e. on 12 April 2024 at the latest, announce amendments to the agenda made at the shareholders' request. The announcement of the amendments to the agenda shall be made in a manner appropriate to the announcement of the convening of the Ordinary General Meeting.

2. Shareholder's right to propose draft resolutions together with a justification concerning matters placed on the agenda of the General Meeting of Shareholders or matters to be placed on the agenda prior to the date of the General Meeting of Shareholders

A shareholder or shareholders of the Company representing at least 1/20 of the share capital may, prior to the date of the Ordinary General Meeting of Shareholders, propose in writing in person or sent by post to the address of the Company, i.e. ul. The request should be supported by documents confirming the identity and right of the shareholder(s) or attorney-in-fact making the request, applying mutatis mutandis the rules laid down in the item II. 1. above.

The Company shall promptly post the draft resolutions on its website.

In the case of shareholders submitting draft resolutions by electronic means of communication, the documents should be sent in the PDF format. Documents drawn up in a language other than Polish should be submitted with their sworn translations into Polish.

The risk connected with the use of electronic means of communication by a shareholder shall be borne by the shareholder.

3. Shareholder's right to submit draft resolutions on matters placed on the agenda at the General Meeting of Shareholders

Each shareholder entitled to participate in the General Meeting of Shareholders can submit draft resolutions during the Ordinary General Meeting of Shareholders concerning the matters placed on the agenda. Under the Rule 4.8 of the Code of Best Practice for WSE Listed Companies 2021 of the Company, draft resolutions of the General Meeting of Shareholders for the matters placed on the agenda of the General Meeting of Shareholders should be submitted by shareholders no later than 3 days before the General Meeting of Shareholders, i.e. no later than on 27 April 2024.

4. Information on how to exercise voting rights by attorney-in-fact, including in particular the forms to be used when voting by attorney-in-fact and how to notify the Company by means of electronic communication of the appointment of an attorney-in-fact

A shareholder of the Company who is a natural person may attend the Ordinary General Meeting of Shareholders and exercise voting rights in person or by attorney-in-fact. A shareholder of the Company other than a natural person may attend the Ordinary General Meeting of Shareholders and exercise voting rights through the intermediary of a person authorised to make declarations of intent on behalf of the latter or through the intermediary of the attorney-in-fact. A shareholder's attorney-in-fact shall exercise all the shareholder's rights, unless otherwise specified in the power of attorney. An attorney-in-fact may grant a further power of attorney, if this results from the wording of the power of attorney. One attorney-in-fact may represent more than one shareholder. If a shareholder holds shares registered in more than one securities account, the shareholder may appoint separate attorneys-in-law to exercise the rights appended to the shares registered in each account.

A power of attorney to vote by attorney-in-fact should be granted in the written or electronic form. The granting of a power of attorney in the electronic form does not require a qualified electronic signature.

The notification of the granting of a power of attorney in the electronic form should include the business name or forename and surname of the Principal, telephone number and e-mail address of the latter, as well as the business name or forename and surname of the attorney-in-fact, telephone number and e-mail address of the latter.

Along with the notification of the granting of a power of attorney, the shareholder shall send to the Company, by no later than 12:00 on the day preceding the holding of the Ordinary General Meeting, to the following e-mail address of the Company: korporacja@murapol.pl a power of attorney in the PDF format, containing at least the following data: business name or first name and surname of the principal, business name or first name and surname of the attorney-in-fact, data of the identity document of the attorney-in-fact who is a natural person, authorisation of the attorney-in-fact to represent the principal at the General Meeting of Shareholders, date of the General Meeting of Shareholders at which the voting right shall be exercised, date of granting the power of attorney, signature of the shareholder.

On the website of the Company, at: <https://murapol.pl/relacje-inwestorskie/walne-zgromadzenie/>, a model of the power of attorney to attend the General Meeting of Shareholders and a model declaration of revocation of the power of attorney to attend the General Meeting of Shareholders have been posted, which can be used by shareholders.

Furthermore, where the power of attorney is not granted by a natural person, in the notification of granting a power of attorney in the electronic form the shareholder shall send to the Company, in the PDF format, a duplicate from the register in which the shareholder is registered or a scan of another document confirming the entitlement of the persons granting the power of attorney to act on behalf of the shareholder. If the attorney-in-fact is not a natural person, the shareholder shall additionally send to the Company, in the PDF format, a duplicate from the register in which the attorney-in-fact is registered or a scan of any other document confirming the existence of such an attorney-in-fact.

Sending the aforesaid documents to the Company does not constitute an exemption of the attorney-in-fact from the obligation to present documents for the purpose of identifying the latter when preparing the attendance list of shareholders entitled to participate in the General Meeting of Shareholders.

The Company informs that a model form allowing the exercise of voting rights by attorney-in-fact containing the data specified in the Art. 402³ § 3 of the Code of Commercial Partnerships and Companies has been posted on the website of the Company at:

<https://murapol.pl/relacje-inwestorskie/walne-zgromadzenie/>

The use of the form is not mandatory. The form provides instructions for the exercise of voting rights by attorney-in-fact, but does not replace the power of attorney given to the attorney-in-fact by the shareholder. The Company shall not verify that the attorneys-in-fact exercise their voting rights according to the instructions they have received from the principals. In this regard, the Management Board of the Company announces that voting instructions should only be given to the attorney-in-fact.

Documents drawn up in a language other than Polish should be appended with their sworn translations into Polish.

A shareholder of the Company may also revoke a power of attorney to attend the Ordinary General Meeting of Shareholders and to exercise voting rights granted in the electronic form by a declaration made to the Company at the Ordinary General Meeting of Shareholders. The declaration of revocation of the power of attorney shall be effective if it is submitted to the Company no later than when the voting at the Ordinary General Meeting of Shareholders is ordered.

Shareholders of the Company shall be allowed to participate in the Ordinary General Meeting of Shareholders upon presentation of an identity card and a valid power of attorney (or a sequence of powers of attorney) granted in the written or electronic form (in the latter case the attorney-in-fact should present a printout of the power of attorney). Representatives of legal persons or organisational units without legal personality should, in addition, present current duplicates from relevant registers, listing the persons authorised to represent such entities.

5. Information on alternative forms of participation in the General Meeting of Shareholders and exercising voting rights

The Management Board of the Company informs that it shall not be possible: (i) to participate in the General Meeting of Shareholders using electronic means of communication, (ii) to speak at the General Meeting of Shareholders using electronic means of communication, (iii) or to exercise voting rights by correspondence or using electronic means of communication.

6. Shareholder's right to ask questions concerning matters on the agenda of the General Meeting of Shareholders

A shareholder holds the right to ask questions concerning matters on the agenda of the Ordinary General Meeting of Shareholders.

A shareholder's question including a request for information concerning the Company may be presented during the Ordinary General Meeting of Shareholders if such a request is justified for the assessment of a matter on the agenda. The Management Board of the Company may provide information in writing beyond the Ordinary General Meeting of Shareholders if there are grounds which speak in favour of doing so, but the information shall be provided no later than two weeks after the request is made during the Ordinary General Meeting of Shareholders.

An answer shall be deemed to have been given if the relevant information is available on the website of the Company in the space designated for shareholders' questions and answers.

The Management Board shall refuse to provide information if this could cause damage to the Company, a related company or a subsidiary, in particular by revealing technical, commercial or organisational secrets of the enterprise.

A member of the Management Board may refuse to provide information if the provision of such information could give rise to criminal, civil or administrative liability on the part of the latter.

3) Amend the Art. 12 section 6 of the Articles of Association of the Company, so that the erroneous reference to the "Art. 4021 of the Code of Commercial Partnerships and Companies" is replaced by the correct reference to the "Art. 402(1) of the Code of Commercial Partnerships and Companies”.

4) Amend the Art. 17 of the Articles of Association of the Company to read as follows:

“1. From the moment the Company obtains the status of a public company within the meaning of the Art. 4 item 20) of the Act on public offering, the Art. 16 above shall cease to apply and this Art. 17 shall apply as its replacement.

2. Subject to the Art. 17 section 7 below, the Supervisory Board shall be composed of between 7 (seven) and 9 (nine) members, appointed and dismissed for a joint term of three years. In case where the members of the Supervisory Board are elected by voting in the separate groups, according to the provisions of the Code of Commercial Partnerships and Companies, the Supervisory Board elected in this manner shall be composed of 5 members.

If it is necessary to appoint members of the Supervisory Board in connection with the expiry of the mandates of the members of the Supervisory Board appointed by the Authorised Shareholder as a result of the approval of the financial statements for the last full turnover year of the performance of the functions of the members of the Supervisory Board, the statement on the appointment of the members of the Supervisory Board in the manner specified in the section 7 above shall be served on the Company no later than seven days before the date set for the Ordinary General Meeting at which the financial statements for the last full turnover year of the performance of the functions of the members of the Supervisory Board are planned to be approved. - 5) Amend the Art. 23 section 4 of the Articles of Association of the Company to read as follows:

“From the moment the Company acquires the status of a public company within the meaning of the Art. 4 item 20) of the Act on public offering, for as long as the Authorised Shareholder holds at least 33.34% of the total number of votes at the General Meeting of Shareholders of the Company, in the event of the election of the members of the Supervisory Board by voting in the separate groups, the Authorised Shareholder shall have the personal right to appoint one member of the Management Board of the Company.”
